AQA Unit awards

Overview

The Unit Award Scheme (UAS) is a unique way to record learner achievement. Its 'can do' approach is used to boost student confidence, engagement and motivation .

Students in our Beech, Maple and Oak pathways all have the opportunity to complete selected AQA Unit awards during their time here at St Clare's School.

Current subjects that offer unit awards include Art, ICT, Hair and Beauty, Personal Development, Maths, PE and Science.

Certificates awarded have included: Tile design (Art/Construction), Hair styling (Hair and Beauty), Peer Mentoring (Personal development), Addition and Subtraction (Maths), Introduction to ICT skills (ICT) Dinosaurs and Extinctions (Science) and many more.

Our curriculum offer provides many opportunities for students to achieve unit award certificates
